

Dear members, dear friends

We would like to invite you to our first Listening Session for 2024.

Topic: *“Critiquing the Anthropology of the Catholic Church and its impact on women’s dignity and equality.”*

Speakers: Prof Mary Anne Case University of Chicago, America  
Dr. Cecilia Francisco-Tan University of Divinity Australia

In order to give as many interested women as possible the opportunity to participate, the meeting will be held in two sessions. Please choose the time zone that is convenient for you, our speakers will give the same presentation in both sessions. Translation in 5 languages will be available during the session at 5pm CET.

Please register and select a language for the breakout room (5pm CET)), the discussion points and notes from the sessions will be available to all participants via Google doc.
